

St George and Sutherland Shire Business Enterprise Centre

The St George & Sutherland Shire Business Enterprise Centre's (BEC) mission is to help businesses in our community grow. Each newsletter will update you on seminars and articles produced by the BEC.

The BEC's services include:

Business Advisory Service - for start up and established small business. This service is free, independent, confidential and by appointment. Bookings can be made at the BEC's Brighton on Thursdays.

Small Business Workshops - for start up and established small business owners. For those wishing to develop their business skills and knowledge. Workshops include:

- Business Planning
- Marketing & Sales
- Record Keeping
- Financial Statements
- Legal Issues
- Operating Your Business From Home

Plus, the BEC regularly delivers free Australian Taxation Office (ATO) workshops on all taxation issue for business.

Networking events - grow and support your business management and marketing through networking.

For further information about the BEC and upcoming seminars you can visit their web site: www.becsmallbiz.com.au or phone 02 9545 5900.

Free membership is also available online. Members receive frequent updates regarding meetings and seminars held by the BEC. This provides a great opportunity for all business owners to further their skills and network with other business people.
