Thursday 25 May 2006

Have your say!

Each year Council places its Draft Management Plan and budget on public exhibition. This is to encourage community feedback.

In our busy daily lives it is difficult to find the time to do this, so this year we are having an Expo on:

Wednesday 31 May 2006

Rockdale Town Hall

Businesses Owners: Anytime from 7.30am - 9.30am

The draft management plan outlines what Council is going to do to make Rockdale a better City. The plan identifies Council's long term goals and actions and includes our draft budget for the next year and a three year financial plan.

The plan will also be on exhibition at our Customer Service Centre, libraries and website until Wednesday 14 June. Feedback is invited and must be received at Council by this date.

Looking forward to seeing you at the Expo.
